

Hailey Frost

Romance Author

Hailey Frost is a contemporary romance author whose novels explore love, complicated family ties and healing, through relatable characters and heartfelt storytelling. Across multiple standalone series, she writes feel-good romances with banter, relatable conflicts, and satisfying happily-ever-afters. Her work appeals to readers who love cozy romance with warmth and love that feels like coming home.

She worked in marketing and communication before becoming a romance author. When she's not writing, Hailey can be found binge-ing her favorite series or planning her next trip to explore the world.
