What if we are meant to be?

Millie

As one-half of the famous Siren's pop duo, I've learned the hard way that love and fame don't mix. It often brings pain, and hearts shatter all too easily. I've had enough.

But when we're hired for the charity event of the year, my resolve quickly gets washed down the drain. Luca makes my heart skip a beat in a way it never did before. When I talk to him, the rest of the world doesn't matter. Could he be the one worth risking another heartbreak for?

Luca

Joining a football match for charity was the last thing I wanted – I'm an actor, usually in the stands, not on the field - but one glance at Millie changes everything. Her beauty captivates me, her voice enchants me, and suddenly, winning her heart becomes my greatest ambition.

But fame has its price when it comes to love. Can we pay it?
