

Winter Glam in Amsterdam

by Hailey Frost

Summers one-night-stand with audiobook narrator Tanner in snowy Amsterdam could have turned into more – then he leaves her without a word and needs to fight for forgiveness.

One night. No strings. That was the deal.

Summer

A trip to Amsterdam was supposed to be a distraction - a break from my bleaklife to celebrate my brother's engagement. I never expected him.

Tanner is smooth, confident, and should be completely off-limits. He's my brother's friend, and worse, he's the kind of trouble I should avoid. Too bad he's as irresistible as he sounds. One night in his bed? That, I can allow myself... right?

Tanner

A family trip to Amsterdam was meant to be a getaway, but nothing could have prepared me for Summer - the woman I can't stop thinking about. She only wants one night, yet the way she melts at the sound of my voice makes resisting impossible.

One night was never going to be enough.

Now, the question is... will she let me have more?
