

Hystoria

by Hailey Frost

Hystoria is a rockstar romance series on the low-angst side. When a band becomes too famous too early, the spark burns out and the members have to rediscover who they are outside of their band and how their individual futures may be shaped. From a solo-career to addressing mental health issues, the series follows a recurring cast in standalone books.

Target Audience

Readers who enjoy rockstar romance that doesn't deal with heavy elements such as alcohol or drugs.
